

# Family Law Valuation and Forensic Insights

Mercer Capital's Family Law Valuation & Forensic Insights – Addressing Complex Financial & Valuation Issues

## 2024 Family Law Valuation & Forensic Insights Highlights

2024 – another year wiser and what a year it has been! Our Mercer Capital Family Law Valuation and Forensic Insights Newsletter now reaches over 5,500 attorneys. We seek to provide you and your teams with useful information focusing on various complex financial issues in a manner which is understandable and helpful to our readers.

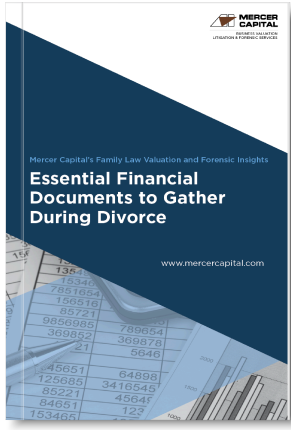

Our content is concentrated in valuation, forensic accounting, financial issues, expanding our national reach and working with financial experts.

We hope you have enjoyed our content in 2024 and we look forward to connecting further in 2025!

## Valuation, Forensic, and Financial Matters

- *Connelly v. United States* – Considerations in Divorce
- Real Estate and the Family Business in Divorce
- Personal vs. Enterprise Goodwill: Issues to Consider in Divorce Valuations
- Evaluating Your Firm's Margin

## Essential Financial Documents to Gather During Divorce

This booklet is designed to be a resource that will assist you and your clients during one of the most difficult times in their lives, both emotionally and financially.

Mercer Capital has compiled a list of financial documents that are typically needed in the divorce process and decoded common financial terms helpful to attorneys and their clients.

## About Mercer Capital

Mercer Capital is a national business valuation and financial advisory firm. We are frequently engaged to provide support in family law and divorce disputes.

We bring a team of experienced and credentialed experts and over 35 years of experience to the field of dispute analysis and litigation support. Assisting our clients through the entire dispute process, we provide initial consultation and analysis, as well as testimony and trial support. We provide services to litigated divorces, as well as collaborative/mediated divorces. Our Litigation Services team brings national experience in subject matter and industry expertise.
